PROFILE

I attended drama classes outside of school hours from the age of five to sixteen and have been a student at both the Mark Jermaine Stage School and Pauline Quirke Acting Academy. Not only have I developed my acting and singing skills, I have also learned about film making, production and directing. As a result of performing frequently in front of large audiences I am confident in presenting myself and speaking in front of others and work well as part of a team. I have had experience working as a 3rd AD Trainee for a BBC Short Film and have had professional training in both Camera and Sound equipment, including a workshop at Origin Cine, a professional rental house based at The Bottle Yard Studios, Bristol.
